

The Ultra U-Boat®

Making the best even better

40 years ago Win-Holt invented the U-Boat to increase the productivity of America's first supermarkets. The U-Boat soon became standard equipment in supermarkets and in many other retail locations.

Over the years, Win-Holt has continuously improved our unique cart, making it even easier to use for material handling tasks. And now, Win-Holt makes history again! Meet the next generation: The Ultra U-Boat!
