## Lockers

Multi-User Steel Lockers can be used in all types of facilities and industries, making this product perfect for any environment. Our variety of designs work for all different needs!

### Features:

- Steel construction
- Multiple door compartments
- 12" depth
- Sequentially numbered labels provided for easy identification.
- Custom colors available
- Ships fully assembled
- Mesh grid vented

### Benefits:

- All lockers open with door pulls and will accept padlocks or flat key locks (both not included).
- Doors are vented for security and clear identification of personal items.
- Box bases prevent dirt, dust, and debris from accumulating under the lockers, keeping the locker area clean and reducing labor costs.
- Sturdy steel design secures locked items.

**WL-21**

**Custom Colors Available**
