## Distribution Center Ladder Cart

The Winholt Ladder Cart is ideal in any warehouse or distribution center for organization and fulfillment of products for multiple locations.

### Features:

- All welded aluminum construction makes it lighter and easier to maneuver around a warehouse
- Ladder is welded aluminum with bolted painted steel parts. Lifts up and locks for storage. Top safety latch and bottom gravity latch
- Handy utility box can hold accessories and tools required during picking.
- Holds 6 totes approximately 21" L x 17" W x 17" H, sold separately
- Anti-slip grip tape on ladder steps
- Cart load capacity - 600 lbs
- Maneuvers easily on 5" x 2" polyurethane casters with precision bearings; (2) rigid and (2) swivel.

### Benefits:

- Ergonomic handle design for easy maneuvering
- Simplifies warehouse product management
- Safe and sturdy design

### Options:

- Hook on cardboard holder
