Stainless Steel Mop Sink Cabinets

Winholt's Mop Sink Cabinets are a sanitary solution for keeping your cleaning station contained and cleaning supplies stored. Double Door and Single Door cabinet models available.

Features:

- All welded stainless steel design
- Mop tub dimensions: 16"W x 20"L x 12"D
- Shelving for storage
- Hinged door(s)
- 15° Slanted top
- 3.5" Recessed basket drain
- Ventilation on both sides
- Mop sink has open back for faucet and (1) top shelf
- Double Door Cabinet models include one side for extra storage with (3) shelves and an enclosed back with vents on the back and side. Option for the mop sink on the right or left side of the unit

Benefits:

- Contained cleaning station reduces cross contamination of cleaning chemicals
- Double Door Cabinets allow for extra shelving to store cleaning supplies
- Slanted top prevents dust buildup
- Stainless steel design is easy to clean
- Vents allow for better drying and reduce chance of mold growth
- Basket drain reduces clogging
