FIFO CAN RACK

First-In First-Out Can Rack

CR-156F-BUC

The First-In First-Out Dispensing Can Rack is a smart, space-saving solution designed to simplify kitchen operations and elevate food storage standards. Manage inventory while reducing waste and maintaining a clean, organized workspace. This rack ensures your canned goods are always within reach and properly rotated for optimal freshness.

Features:

- All welded aluminum construction
- **Lifetime Warranty Against Rust**
- Holds #10 & #5 cans
- 3 Columns with 4 FIFO sections
- Adjustable Feet

Benefits:

- The First-In First-Out inventory management system ensures that older stock is used first, reducing spoilage and minimizing waste.
- Designed to hold both #10 and #5 cans in a compact footprint, this rack optimizes vertical and horizontal space in busy kitchens.
- The self-feeding mechanism keeps cans orderly and off surfaces, supporting a clean and sanitary food prep environment.
- Crafted from all-welded aluminum, the rack is rust-proof and backed by a lifetime warranty, ideal for high-volume commercial use.
- Staff can quickly load and retrieve inventory without disruption.
